THE MESS HALL SITUATION

It is evident that we all love the familiar sound of the good "OLD CHOW BELL" -- perhaps too much so!! My, my, my, how we do get a move on when we think of eating! We suddenly get full of the 3 V's -- Vim, Vigor and Vitality, and let it be known by our actions. We make much noise by rushing around, talking and laughing, and otherwise being anything but orderly. From a recent survey, it was found that just this ungentlemanly display of our emotions was the reason for our having to be drilled or trained in marching in and out of the Mess Hall until we had expended enough of our energy so that we could walk in, take our seats, and begin eating in an orderly and gentlemanly manner. Let's not have to take our "Daily Dozen" before we are permitted to eat, from now on. The old saying "HASTE MAKES WASTE" has certainly proved out in this case, hasn't it??? Now, wouldn't it be

* and into the Mess Hall and begin eating without all of the exercise that we had last Friday evening? Certainly we would get our meals sooner, and also feel much better about it, for the food would not be cold when we sat down to eat. It would make us much more cheerful, too. THINK IT OVER, MEN. All we have to do is act like the gentlemen we are. All this show of emotion is entirely uncalled for---we can do without it. And the sooner we do, the better it will be for the entire company. Make sure your partner next to you keeps quiet! Another matter of importance is being clean at the tables. We all have plenty of time without having to hurry to get there. Also, it is for our own good that we eat slower.

We thank you.

Editor.

THOUGHT FOR THE WEEK

"Blessed are the peacemakers: for they shall be called the children of God".-----Matthew 5:9.

The "DING DONG" of the school bell* means just what to you? Do you think of* the school as a have-to-do proposition? As a place to play around? To skip it* means extra duty. Or does the thought* come to you of the seldom-tiring, never* failing educational staff----the group of* men who are always ready, willing &* able to help anyone who wants to be help-
ed----the Educational Advisor and his* Assistant, the instructors, the librar-
ian and his assistants???

Are you men proud of the library,* which is an institution in itself, and* which any organization should be proud
of? To you men who feel that the lib* brary and school are places to further
your education----places that will help* you if you help yourself----we are not
referring. So with this parting thot* we leave you: A MAN IS ABSOLUTELY CER-
TAIN TO GET OUT OF ANYTHING HE UNDER* TAKES EXACTLY WHAT HE PUTS INTO IT!!!

Say! Who was the smart Rookie* who thought that a Quartermaster is a
man who only bosses one-fourth of the
time???!!!

OUR SPORTS

It's no secret that there is a* decided lack of sports around camp. As
you know, Sports is considered as a 3-* fold measure: good healthful exercise,
recreation, and it also creates a de-* sire for clean, wholesome sportsman -
ship. So let's all support "Coot" in* every way possible to get up the Base-
ball and Basketball teams in which he* is arousing much interest.

READ THE BULLETIN BOARDS

for important notices

Dena Merle Barbee, our ex-is-* sistant Camp Educational Advisor, has* recently been appointed from the
Fourth Corps Area to Cadet-ship in* the Merchant Marines. Leaving us
Friday, October 20th for Fort Dix,
New Jersey, he will be transferred
to one of the U. S. Maritime Schools
located on Hoffman Island, New York.
We consider this quite a gain for the
Merchant Marines at our expense.

Joe "Chick" Denkins lost his
Tower job under adverse circumstances,
so we hear!

THE ROOKIE CORNER

A man seems to appreciate a
joke as long as it's on the other
fellow. We have all seen a lot of
misunderstandings that are absolute-
ly uncalled for. So much bunk-wreck-
ing and clothes-knotting is perhaps
all right. We all like a joke oc-
casionally, but just remember that
anything can be run into the ground!
So let's try to make friends for a
change, instead of enemies. Keep in
mind that there is no greater virtue
than brotherly love. Have we forgot-
ten our Golden Rule Sunday School les-
son: "DO UNTO OTHERS AS YOU WOULD
HAVE THEM DO UNTO YOU" ?

We wonder how ambitious "Acting-
1st-Sergeant-for-the-weekend" Bud
Hildreth is??? Watch out, Skinner!!

A certain rookie relieved La
Verne Knight of his office job, thus
causing the downfall of said LaVerne
to K.P.

The night-watchmen request men and rookies to obey their orders of "QUIET PLEASE" after Bed Check.

LOST AND FOUND

Leader Sellars lost his mole skin and rabbit's foot. Poor "Big Ed". What will become of him NOW?

SEEN AROUND

"Red" Bird---over at the Forestry Office! We wonder why?

"Tubby" Mott (driving up to a filling station): "One gallon, please".

Station Attendant: "What are you trying to do---wean it??"

Barney S.: "I slick my hair down with lard."

Box A.: "Why?"

Barney S.: "So I don't have to go to Peppy for a haircut---it's shortening."

Gano: "If I take this castor oil to night, do you think I'll be able to get up in the morning?"

Prof H.: "Yes. LONG before morning"

K.P.: "When are you ever going to get enough to eat?"

G.T. "Red" Davis: "When the rest of the Company develops lock-jaw."

Hickman: "You drive nails like lightning, Young."

Young: "You mean I'm fast?"

Hickman: "No. You never strike twice in the same place!"

The other morning 1st Sergeant Skinner was putting a squad of rookies thru their paces. Try as he would, he could not get a straight line. Finally, in exasperation, he shouted: "What's the matter with ya? Can't ya line up? All of ya fall out and look at the line you've made!"	

* Bud Hildreth: "I asked the C. O. for a rating the other day and he sure acted sheepish."	
* Curtiss: "Aw, did he? I don't get it. What do ya mean, sheepish?"	
* Hildreth: "He just said, Baaaahh!"
